ROOSEVELT is more than the classroom, the laboratory and the library. It is a place abounding with opportunities for pursuing individual interests and developing talents which contribute to the students' growth as a citizen. Campus life is informal and provides memories never to be forgotten. For three years it is a way of life, then it is no more.

ROOSEVELT is people, and the people remain recognizably the same. However, profound differences result from being in this environment — the people grow. They grow in knowledge of books, but probably more important, they grow in an awareness and understanding of their society.

This seventh volume of the Mustang presents the story of 1,400 people — what they do and how they live.

We Take a "Voyage on the Sea of Educational Excellence"

Congratulations to the staff and sponsor of the 1972 *Mustang*. Another year in the glorious history of our school has come and gone. It is traditionally the purpose of the *Mustang* to present pictorially a review of each school year.

The emphasis of each editor of the *Mustang* is on you, the student. As you turn the pages of the 1972 *Mustang*, may you relive these happy and profitable days spent here at the Franklin Delano Roosevelt High School.

Our theme this year is "A Voyage on the Sea of Educational Excellence," for our ultimate goal is to provide the best possible education for each student at Roosevelt High School. Our students are our cargo of precious jewels and our teachers and staff comprise a dedicated crew of men and women who are qualified to enrich the lives of our students in every field of academic endeavor.

Our voyage has been far from uneventful for we have had to probe our way through the dismal waters of indifference. We are making every effort to answer the challenge presented by the rough spots in the current, because we believe that education rides one of ignorance and that knowledge rides the tides of freedom.

The realization of the challenge enables the administration, teachers, staff and students of this great institution to strive more diligently towards excellence.

We must prevail the storms that move to defeat the convictions of excellence. As we end this year's Voyage on the Sea of Educational Excellence, may we begin anew with the determination to accept the Challenge of educational excellence so that our voyage through life will be a successful one.

Sincerely,

Leon M. Hayes

Leon M. Hayes
Principal

This school year has been one of many exciting events. Many goals have been pursued and met. Those of you who are graduating have reached some of these goals, but you must continue to set your sights high. You must continue to achieve and excel as "winners."

Those of us who remain at Roosevelt High School will continue in the tradition of being loyal Mustangs and real "winners" in everything we undertake.

The 1972 *Mustang* will provide all Mustangs with a pictorial review of the year's happenings. The Annual sponsor and staff must be complimented for providing all of us with such a remembrance of the school year 1971-72 at Franklin D. Roosevelt High School.

Louie L. Bledsoe

Louie L. Bledsoe, Jr.
Assistant Principal

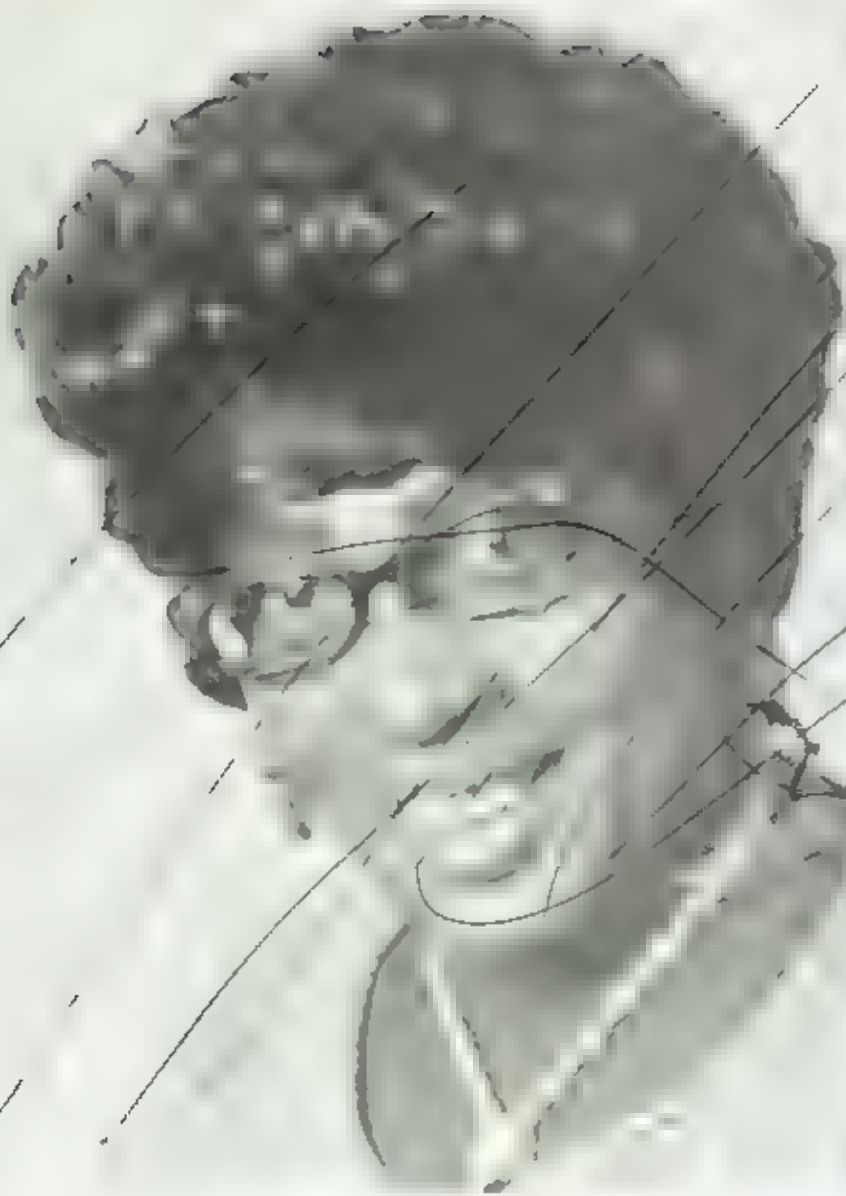

The 1972 *Mustang* points out memorable events and people that have been a part of this school year at Frank D. Roosevelt High School. Events that, because of this edition of the yearbook, will always be a part of our memories. I would like to congratulate the Annual sponsor and staff for their many hours of devotion to their task as exemplified in this fine annual.

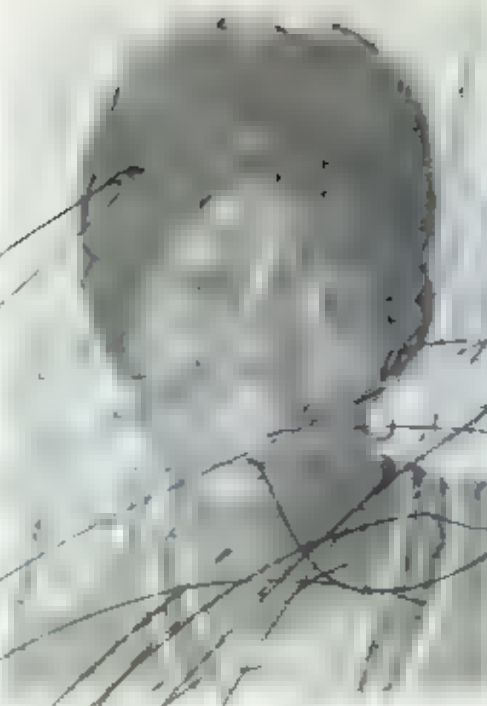

I would like also to congratulate all of the Mustangs who completed this 1971-72 year at Roosevelt, particularly those who completed the year by graduation. It has been a pleasure to be associated with the entire Mustang family — the faculty, staff and student body.

This Mustang Football Team has met the challenge of every opponent giving 110% of effort whether it was victory or defeat. The Mustang Football Team under the leadership of new head coach Robert Thomas, amazed everyone with brilliant wins over highly rated rivals. The Mustang team opened the season with a victory on the road as they came from behind in the second half to gain victory over the Waco Moore Lions.

The Mustang Football Team has instilled pride in every Mustang. The team has given and will give all loyal Mustangs some heart thumping moments. Roosevelt's football team ended the season with a surprising 6-3-1 record and if the achievements of the football team are any indications of what to expect in the future, then Mustang opponents should "Pack Up and Walk Out."

Mustang Basketball

The year of 1972 really paid off for the Roosevelt Mustangs. The Mustangs had always come close, but never had they really wrapped up the Big prize. In 1972 the best high school in Dallas was to be Roosevelt Mustangs. Team Captain, Ice Terrell, and Coach Ellis Davis were named player and coach of the year respectively. The Mustang record was 13-1, the loss coming from the hands of S.O.C. The Mustangs got revenge however by pulverizing S.O.C., the savage Mustang team went on to knock off Lincoln 110-73 for the City Championship.

After the Mustangs victory for the City Championship it was time for post season play. The Mustangs ventured to College Station for the Regional II Championship playoffs. The Mustangs breezed through the tourney whipping teams who were simply outclassed by the Roosevelt Mustangs. First the Mighty Mustang team rolled over Fort Worth Eastern. Ellis Davis and crew on the same day waltzed past a stalwart Nacogdoches team. After becoming the Regional II Champion the stage was set for Roosevelt to compete in the State playoff. The Mustangs responded to the occasion by downing Houston Wheatley, who had made the trip 5 consecutive times. Wheatley had completely dominated the state championship for the past years. But in 1972 this was not to be, a determined, always fighting, Mustang team eliminated Wheatley in the first round. With a come from behind victory in the last four seconds of the game, the Mustangs downed Houston 111-109. In this game Roosevelt's Ice Terrell set a playoff record as he scored 45 points, canning 21 of 23 field goal attempts. The team also set a record for most points — 111.

B.G. Game

On March 1, 1972 at 2 p.m. in Austin on the U.T.A. campus in Gregory Gymnasium before some 8,000 fans, the Mighty Mustang team squared off against the San Antonio Jefferson Mustangs for the State Championship. As the game progressed, Roosevelt appeared to be in trouble as it became foul plagued. But this did not upset the team, down 90-62 in the 3rd quarter with less than two minutes left the Mustangs roared back to defeat San Antonio 68-63 thus becoming "the State Champions."
